ABOUT US

Ethereal Dace Company

offers a collaborative experience between our dancers and choreographers. Performances will be mainly focused on contemporary dance with appearances in other styles. We host master classes and make appearances

at local conventions. Behind the scenes, we focus on somatics and technique as well as dance used as a therapeutic meditation. Our directors have training centered in contemporary movement style.

MOOD BOARD

COLOR PALATE

The colors included are somewhat neutral. I've added in muted colors here and there but overall kept it airy with some dark elements. The colors are meant to be calming yet eye catching.
