## Education

University of Nebraska-Lincoln  
Graphic Design BA with a minor in Music  
Graduation December 2018

## Internship

**Design intern at News Link, May 2018-August 2018.** News Link is a corporate news gathering and printing company. I was responsible for designing printed newsletters for well-known clients such as Union Pacific, ConAgra, BNSF, and Kellogg's. Position required working within client's branding guidelines. I was also assigned various small projects to complete for the company and client's events including internet banners, typographic signage and fliers.

## Work History

Walgreens

- Pharmacy DH from 2017-present
- Customer Service Associate from 2012-2017

My responsibilities include working directly with customers, assisting with prescription filling, and primarily working with photo printing equipment for customer photo orders. I have experience working with various printers and media types and processing 35mm film.

## Achievements & Activities

- Student Finalist in AIGA of Nebraska's SHOW design competition 2017
- AIGA member since August 2017
- Art history study abroad in Greece, May 8th-27th, 2016. This course focused on ancient Greek art and architecture, and allowed a visualization of styles and structures learned about in past art history courses.
